

The Big Table of Information

Processing activity	What personal data do we process?	Where do we get your personal data from?	Who do we share your personal data with?	What is the legal basis for processing your personal data?
Processing of your name and address and other personal data in relation to the data services we provide to our clients and partners.	Your name and address from the Open Electoral Register and separately your date of birth for anyone attaining the right to vote.	Equifax Limited www.equifax.co.uk	Our clients and partners See section entitled 'Why do we share your Personal Data and who with'.	Legitimate interest – of providing our data services to our clients and partners to enable them to provide or offer direct marketing services to you. The processing of personal data is necessary to provide our services to our clients and is in your interest as it allows more targeted marketing to you, in a way that does not harm you.
Buying in/licensing in lists of personal data which we use to provide data services to our clients and partners. Also, we use the personal data that we buy in/license in to create models that can either be at an individual level or aggregated level (e.g. at a postcode level). To create modelled/predicted data we process personal data along with non-personal data, using various statistical methods. Please note that the modelled/predicted data is not real personal data (for examples see section entitled 'What do we do with your Personal Data'). The personal data (including the modelled/predicted data) is sold, licenced or used by us to provide our data services to our clients and partners.	Your name, address, and date of birth. Plus some other attributes, if you have provided it, for example whether you have children in the household.	MyOffers (an offers and competitions website) if you have given them your details. www.myoffers.co.uk

	Name and address data and separately pseudonymised responses to the survey.	Market research companies ¹ and other organisations that you have completed surveys for (e.g. lifestyle surveys).		
	Address data of which a small amount contains an individual's name (e.g. Sam Jones' Farm, Avenue Way, Suffolk, [post code])	Royal Mail		
	Personal data in the public domain relating to you.	Land Registry and other publicly available sources (e.g. easily accessible via the internet).		
	The modelled/probability data.	CACI creates this.		
Location data. Use of location of mobile devices to track footfall in commercial centres. Data is aggregated as follows:	Unique device ID (pseudonymised – ie disguised by our data supplier so it is not the same as the Apple/Android device ID shown on your device and cannot be linked by CACI or our clients to your identity)	Digital Envoy Inc.: https://www.digitalenvoy.com/ Azira LLC: https://azira.com/	Our clients in the sectors as listed in the Privacy Notice. Most clients for location data are retail/leisure operators, shopping centres or public bodies.	Our suppliers collect this on the basis of consent

Processing activity	What personal data do we process?	Where do we get your personal data from?	Who do we share your personal data with?	What is the legal basis for processing your personal data?
<p>- For the majority of our clients, we provide counts in a particular area. For example, how many people entered a particular shopping centre or walked down a parade of shops.</p> <p>- For some clients we provide device location to the level of a large grid square – e.g. a section of Oxford Circus, or close to a hospital.</p> <p>Note that precise location is not shared</p>	Approximate location (within 10 metres) of device when an App you have downloaded causes a 'ping'		Note that clients do not receive personal data from us.	
Processing recruitment related personal data.	<p>Your CV, cover letter/email and other related information you provide to us.</p> <p>Publicly available information about you (e.g. information you have posted on your social media webpages).</p>	<p>You and/or recruitment agencies.</p> <p>The internet (e.g. LinkedIn, Facebook etc).</p>	No one if your application is unsuccessful.	Consent or legitimate interest depending on the circumstances.
Where we have a contract with the organisation that you work for, we use your B2B contact details (e.g. your work email address and telephone number) to communicate with you regarding the provision of services/goods, to or from, your organisation.	Your name, the name and address of the organisation that you work for, your corporate email address, and your contact telephone numbers.	You or your organisation.	Most of the time we contact you directly but on occasion we may share your data with our marketing agencies, who may contact you on our behalf.	Legitimate interest.
Use of your B2B contact details for marketing our services to the organisation that you work for (which may be a potential client of CACI).	<p>Your name, the name and address of the organisation that you work for, your corporate email address, and your contact telephone numbers.</p> <p>Information on the internet relating to you (e.g. your social media postings, the website of the organisation that you work for).</p>	<p>You when you register on our website or otherwise give us your B2B contact details.</p> <p>The internet: e.g. LinkedIn, Facebook, Companies House, your employer's websites, online directories etc.</p>	Most of the time we contact you directly but on occasion we may share your data with our marketing and data management agencies.	Legitimate interest.
